Choose 10 angles in the diagrams above. Label each angle with a letter. Complete the chart on the next page with the necessary information. Try to find examples of each of the three angles we have been studying.

| Angle: | Degrees: | Classification: |
| :--- | :--- | :--- |
|  |  |  |
|  |  |  |
|  |  |  |
|  |  |  |
|  |  |  |
|  |  |  |
|  |  |  |
|  |  |  |
|  |  |  |
