

## IDITAROD Photography

Your task is to create a Flipbook using pictures and quotes.

### **Instructions:**

1. *Snap your photos:* You are required to snap at least 8 pictures with your camera. Each picture must represent a different letter from the word IDITAROD. Example: Picture #1 should be something that starts with or represents something that starts with the letter I. Take your time when looking for the perfect photo. Be creative and use your imagination.
2. *Find your quotes:* Use the website <http://www.brainyquote.com/> to locate a quote that best represents your picture. You must have 8 quotes. 1 quote for each picture.
3. *Create your Flipbook:* Use the website <http://livebooklet.com/index-lb.php> to create your Flipbook.
  - a. Your booklet must have 8 pages. Page 1 - I Page 2 - D Page 3 - I Page 4 - T Page 5 - A Page 6 - R Page 7 - O Page 8 - D
  - b. Each page must have 1 or more pictures that represent the letter designated for the specific page.
  - c. Each page must have 1 quote that represents your picture or pictures.
  - d. Each page must also have an explanation why the specific quote was chosen.
4. *Share your Flipbook:* Share your Flipbook to my email.
