WHAT ARE YOUR THOUGHTS ON THE STEP SECTION OF THE TRAIL  
9:10am, Mon, Jan 26, 2015 by emont

You should be careful on the step section.  
9:10am, Mon, Jan 26, 2015 by bvrbrgroup

Scary and dangerous so be careful  
9:11am, Mon, Jan 26, 2015 by Koolest

it is very steep  
9:11am, Mon, Jan 26, 2015 by cass

I think it shows your control of ur team and sled  
9:11am, Mon, Jan 26, 2015 by tristang

I think it would be scary  
9:11am, Mon, Jan 26, 2015 by Campbell

It can be very dangerous and it is scary  
9:11am, Mon, Jan 26, 2015 by past

It is very dangerous and if you can control your team.  
9:12am, Mon, Jan 26, 2015 by b.e

That it is hard to control your dogs on the trail. (It's not as easy controlling a car)  
9:12am, Mon, Jan 26, 2015 by P.A.S.T

9:17am, Mon, Jan 26, 2015 by emont

**WHY WAS JEFF KING ABLE TO REMAIN SO CALM?**  
9:18am, Mon, Jan 26, 2015 by emont

Because if your calm your dogs will listen better.  
9:18am, Mon, Jan 26, 2015 by Koolest

because he needs to keep control  
9:18am, Mon, Jan 26, 2015 by hi

He remained calm so that he wouldn't make his dogs think that they were in trouble  
9:18am, Mon, Jan 26, 2015 by P.A.S.T

If he is calm the dogs are calm, the dogs know how there owner feels, and they might feel the same way.  
9:18am, Mon, Jan 26, 2015 by bvrbrgroup

because if hes calm his dogs will be calm also  
9:18am, Mon, Jan 26, 2015 by bvrbrgroup
