

# "Turkey on the Trail in Disguise"

Thanksgiving is fast approaching and farmers are scoping YOU out! You are plump and juicy, just the right combination for a delightful Thanksgiving feast. Make a plan and by all means, disguise yourself! (It most certainly won't be a pretty sight if you don't.)

## PLAN:

Write a CREATIVE 1-2 page paper telling about your escape from the turkey farm, your disguise, your secret hiding plans, etc. (Remember, your paper must have a great beginning, a body with a lot of details, and a conclusion. Also, it should be written in 1<sup>st</sup> person as if you were the turkey.)

## DISGUISE:

Dress up your turkey in the ultimate disguise. It can be anything seen by mushers on the Iditarod trail: a husky dog, musher, snowflakes, sled, etc. Your disguise needs to match your story!

- Objective: Try to disguise Tom or Tilly turkey so that the farmer will not recognize them.
- Materials: The sky is the limit! (fabric, faux fur, crayons, colored paper, etc.)
- Something from the ORIGINAL turkey must be evident.
