

"READY AND HUT!" YELLED THE
FOOTBALL PLAYER. FOOTBALL HAS A
LOT OF GOOD QUALITIES BUT YOU CAN
GET VERY BADLY INJURED. YOU
USUALLY THINK OF FOOTBALL AS A
MEN'S SPORT. WELL IT'S NOT MEN
THAT PLAY, THERE'S A WOMEN'S
FOOTBALL LEAGUE CALLED THE LFL.
IN EVERY OTHER COUNTRY BUT THE
USA FOOTBALL IS CALLED SOCCER. IN
THE SUPER BOWL WOMEN CAN'T PLAY.

"Mush! Mush!" yelled the musher. The Iditarod is a wonderful sport. The Iditarod starts on the first Saturday of March. It ends when the last musher reaches Nome. The first race was in 1973. Each musher must start with 12 to 16 husky dogs, no more no less. Now let's talk about sportsmanship. When a musher is on the side of the trail and you are on your sled mushing and you see them needing help, you must stop to help them out until they can start going again. It's wonderful that a sport cares about nature and dogs.
