

Football

Facts

In football girls are not allowed to play because the men are much much stronger and bigger.

In football the teams are trying to get the most points to win.

In football there are only two teams playing in one game.

Opinion

Football can be fun to play and watch but not as creative and unique as the Iditarod.

TWEET! TWEET! The referee blows his whistle. The crowd goes wild. BARK! BARK! HIKE! The dog team goes on. Introducing IDITAROD VS. FOOTBALL:

Iditarod wins against Football

Football is a good sport but it is not as creative and unique as the Iditarod. There is no need to take a vote because Iditarod would win by a lot for its history of the trail.

Iditarod

Facts

Girls and boys are both allowed to race in the trail but you can still get hurt but NOT by tackling each other.

In the Iditarod the dog teams are trying to cross the finish line to win 1st place but even if you cross last you are still honored.

In the Iditarod there are 50 to 100 dog teams on the trail at a time.

You need at least 12 dogs to start and at least 5 dogs to finish.

Opinion

The Iditarod is the most creative sport in the world I think and it gives the huskies the chance to run.
