

Iditarod

THE IDITAROD IS A DOG RACE THAT IS NEARLY 1,049 MILES LONG. ANYONE IS ALLOWED TO MUSH IN THE IDITAROD. YOU CAN BE ANY RACE OR A MAN OR A WOMAN, YOU JUST HAVE A TO BE READY TO TRAIN BY BONDING WITH YOUR DOGS AND SURVIVING IN HARSH WEATHER. YOU ARE NOT IN A FIELD OR STADIUM, YOU ARE ARE IN NATURE WHEN YOU ARE IN THE IDITAROD. THINGS ARE NOT PLANNED AS MUCH SO IT MAKES IT ADVENTUROUS. MY OPINION IS THAT FOR THESE REASONS, IT IS AWESOME, FAIR AND THAT IS WHY I LOVE THE IDITAROD.

Hockey

HOCKEY IS A GAME PLAYED ON ICE WHERE YOU TRY TO SHOOT A PUCK INTO ANOTHER TEAM'S GOAL WITH A HOCKEY STICK. ALL PEOPLE CAN PLAY HOCKEY, BUT THERE'S NO PRO LEAGUE FOR GIRLS. I LOVE WATCHING HOCKEY, BUT IT VERY PAINFUL TO WATCH THEM GET HURT. HOCKEY PLAYERS USUALLY HIT EACH OTHER WITH THEIR STICKS, AND THEY DON'T HAVE GREAT SPORTSMANSHIP. WHEN YOU PLAY HOCKEY YOU ARE IN BASICALLY A PARKING LOT. BY THE WAY NOBODY LIKES A PARKING LOT!

I LOVE HOCKEY AND THE IDITAROD, BUT HOCKEY CAN'T GO AGAINST THE IDITAROD IN A COMPETITION. IT'S A VERY HARD CHOICE BUT IDITAROD WINS!
