

Classroom Small Groups

Use these cards to divide students easily into small groups. You can give them as they enter the classroom (and they can sit at the corresponding table) or you can use them when needed during your lesson. I often have my students work in groups of 4, so I have printed off 4 sheets and laminated each card so I can use them over and over again.

HUSKY GROUP

SLED GROUP

MUSHER GROUP

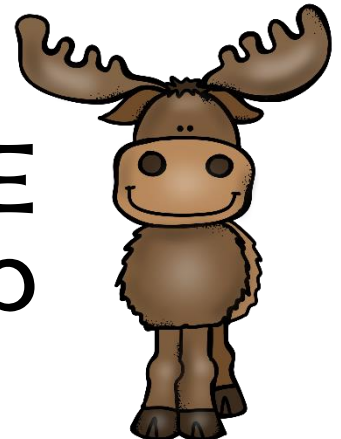

LANTERN GROUP

PAWS GROUP

MOOSE GROUP
