

"Dogs in the Park" Song

"Wheels on the Bus"

The dogs in the park go bark, bark, bark,
Bark, bark, bark, bark, bark, bark,
The dogs in the park go bark, bark, bark,
All day long!

We have more dogs here, up to ten,
Up to ten, up to ten,
We have more dogs here, up to ten,
Wagging their tails!

If one dog leaves, we have fewer now,
Fewer now, fewer now,
If one dog leaves, we have fewer now,
Where did it go?

Adding more pups makes the fun grow,
Fun grow, fun grow,
Adding more pups makes the fun grow,
Each time we play!

Subtract a few treats, and they look sad,
Look so sad, look so sad,
Subtract a few treats, and they look sad,
But they'll be fine!

The dogs in the park go bark, bark, bark,
Bark, bark, bark, bark, bark, bark,
The dogs in the park go bark, bark, bark,
All day long!
