

🎵 ***“On the Iditarod Trail-Southern Route”*** 🎵

(Tune: She'll Be Comin' 'Round the Mountain)

We're headin' out from **Anchorage** today,
Yes, we're headin' out from **Anchorage** today,
To **Willow** comes the start,
Then the trail sets us apart,
On the Iditarod, hooray, hooray!

Willow, Yentna, Skwentna next,
Finger Lake is where we rest,
Rainy Pass, then **Rohn** we go,
Through the mountains, ice, and snow!

Nikolai, McGrath on the way,
Takotna, Ophir—stay warm, okay!
Cripple, Ruby by the Yukon wide,
Galena, Nulato—ride, ride, ride!

Kaltag, Unalakleet by the sea,
Shaktoolik winds blow wild and free,
Across **Koyuk, Elim** too,
Then **Golovin** comes into view!

White Mountain, rest up tight,
One more stop before the night,
Safety, then the finish line—
Nome! We made it just in time! 🐾❄️

🎵 ***“On the Iditarod Trail – Northern Route”*** 🎵

(Tune: She'll Be Comin' 'Round the Mountain)

We're headin' out from **Anchorage** today,
Yes, we're headin' out from **Anchorage** today,
To **Willow** comes the start,
Then the trail sets us apart,
On the Iditarod, hooray, hooray!

Willow, Yentna, Skwentna next,
Finger Lake is where we rest,
Rainy Pass, then **Rohn** we go,
Through the mountains, ice, and snow!

Nikolai, McGrath on the way,
Takotna, Ophir—stay warm, okay!
Now the **northern trail** is what we choose,
New checkpoints coming into view!

Cripple, then **Ruby** by the stream,
Galena, Nulato—keep up the team!
Kaltag, Unalakleet, Shak, and Koyuk,
Cold and quiet—take a look!

Elim, Golovin coming fast,
White Mountain, rest at last,
Safety, then the finish line—
Nome! We did it—dogs and musher shine! 🐾❄️
